Description

Stevens 1140 Dutch Steel Motor Cruiser A stunning example of this prestigious Marque that presents exceptionally well throughout. From the first moment you step aboard, you get this warm feeling of being surrounded by quality, attention to detail and, above all, light, brightness and space from her open-plan interior layout. Having been lovingly cared for by her past and current owners, this model also benefits from regular but light use, low hours, and new curtains throughout, and is unique. Fusion stereo system, new vacuum toilet, powerful bow thruster, valid Boat Safety Certificate, full tank of fuel, new cockpit seating, new cockpit and galley lighting, regular engine servicing, anti-fouling, anodes and polish every two seasons. If you are looking for a great example of a Dutch Steel Motor Cruiser ideally suited for longer-term, live-aboard cruising, this is certainly one to view.
