

Andrews - 30ft Slipper Launch

£ 37,950

Description

Andrews (type) 30ft Slipper Launch 'Golden Slipper' has been lovingly restored over the past few years by a well known shipwright for her current and long standing owner. Her hull, decks and all interior bilge spaces have been fully restored, repainted and varnished. This vessel has a new canvas cockpit canopy bimini top with clear window sides and bow screen for use on those more inclement days. The 4 cylinder Ford Watermota petrol engine fits very neatly under the fore deck hatch and benefits from a newly fitted battery. There are two Lloyd loom style helm and passenger seats with a Mahogany bench seat aft, wooden paddle and boat hook stored on the starboard side and the wooden plank style table stored to port which fit across the cockpit's beam. If you are looking for a true Gentleman's Classic Launch then 'Golden Slipper' is well worth taking your time to view. Asking £37,950.

Sales status: available

Manufacturer: Andrews

Model: 30ft Slipper Launch
