

Corvette Marine - 320

£ 85,000

Description

Corvette 320 - 'Gorka' The Corvette 320 is the most unique of trawler style yachts that offers unrivalled performance and stability at both high and low speeds. There is no other vessel under 10m that offers such excellent fly bridge and aft deck seating and palatially wide side decks. There is excellent vision from both helms and really is a joy to use and cruise. 'Gorka' is fitted with twin Yanmar 315hp (950hrs) shaft drive diesels offering comfortable cruising up to 20kts and a top speed of around 24kts. Accommodation consists of a large en-suite double cabin aft and a fore cabin with 2 x single berths to port and starboard sides with a central Wc/washroom in the bow. The central wheelhouse, saloon and galley are accessed from the wide side door on the starboard side. This vessel's teak decks are due for routine replacement (price circa £20k). Gorka would also benefit from some interior refurbishment (price circa £6-8k) hence she is sensibly priced to sell @ £85,000. VAT paid.
