

JD Narrowboats - 16m Widebeam

£ 74,950

Description

Widebeam Barge - 'Tor de Peache' Manufactured by JD Narrowboats and delivered to her new owner in September 2021 'Tor de Peache' is perfectly suited for long term live aboard use on the both the canals and rivers of the UK and Europe. At 16m long and 3m in her beam she is the perfect size that offers many more mooring options whilst afloat. Fitted with a Single Beta Marine B50 Diesel engine (28.5 hrs) and bow thruster she is a joy to use and cruise. There are two large solar panels to keep the 800amp domestic bank of batteries topped up, plus a 3000w Victron Inverter. There is a large high pressure hot water cylinder that powers the galley/WC and Shower room. The WC is a Thetford Cassette model. Other features include: 12v and 240v electrics, 2 x double gas hobs, plus a full-size gas oven and grill. Accommodation is offer with a good sized island double bed in the fore cabin with full size walk-in wardrobe. The open plan galley saloon has comfortable Leather sofa. All windows are double glazed. There are some jobs left to finish this recently new build that include, bow thruster controller, shore power wiring to the ring main and sockets, navigation lights to supply and connect, a fridge, some interior cupboard doors and trim. Offered for sale with her transferable berth. Sensibly priced to sell asking £74,950.
