

## Custom - Impala 52

£ 89,950

### Description

This spacious 52ft Impala presents excellent value for money and makes a superb live-aboard cruiser. Her recent refit from a passenger vessel was completed to a good standard throughout in 2010/11. The upper party deck and helm are more like a roof garden with a large area covered via a canopy enclosure. The lower deck accommodation is all on one level and contains everything you would need to live comfortably including two en-suite cabins plus an open plan Saloon, galley and dining area. The New Consort was once owned by King Farouk and was formally the Windsor Concert. She is a much loved 'known' boat on the Thames. She was externally painted last year and has new anodes and a full new set of deep cycle batteries. The engine and generator were both serviced in 2018 and a new Bernini electric ignition fitted for the diesel generator. A new hardwood deck was laid in 2017 and the canopy was extended to approach the upper deck without going outside. New internal bench seats were fitted on the top deck. All appliances are integrated, Hob, oven, fridge, freezer, microwave and washing machine. The boat was painted throughout internally in 2018. The hatches are easily accessible. The New Consort runs smoothly and has a new impeller and had a full oil change and new oil filter. Hull survey carried out in 2018, plus Boat Safety Certificate valid until 2020 Moorings both leisure and residential available. Disclaimer The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
