

Corvette - 320

£ 139,950

Description

The Corvette 320 is the most voluminous 32 footer you will find with her extra wide decks, superb exterior and a semi-displacement hull offering a safe and stable ride at both high and low speeds. The 320 also offers a light, bright and airy wheelhouse galley saloon plus two very comfortable interior cabins offering en-suite facilities. This vessel has a seriously impressive and documented maintenance record with major and detailed services carried out on her engines including new cam belts, inter cooler and after cooler services, stern gear serviced and replaced. Her interior in 2015/6 had new carpets, upholstery and curtains, plus the addition of a new Stern thruster fitted. In 2019 new Raymarine Axiom Navigation screens were fitted to both helms along with a new RAY90 VHF Radio. This vessel's overall condition and maintenance records are superb as her owner likes to keep his Corvette just so...well worth viewing.
