
Barge - 24.85m Dutch Klipper

£ 69,950

Description

'Imagine' is a Dutch Klipper built in 1906 in Zwartsluis, Netherlands. Originally equipped for sailing, she was used to haul cargo in Holland such as potatoes and grain. The superstructure over the hold was added during the 50's when she was converted for use as a holiday barge to cruise the French canals and European waterways. With a beam of 4.6m her interior is palatial offering 3 cabins, two forward in the bow and one aft of her wheelhouse. There is a large central walk in shower room/WC with electric fresh air flush WC with a large holding tank all installed new in 2019. Her inventory includes, 6 cylinder 112hp Volvo engine, Vetus Generator, Inverter and charger, New batteries and water pump 2019/2021, Diesels fired central heating and hot water, all with general servicing and maintenance required. Imagine is offered with a transferable mooring and will make a great refurbishment project and is priced accordingly for a quick sale. All offers considered including part exchange, Asking £69,950.
