

## Osborne - 27

£ 8,950

### Description

The Osborne 27/28 is a classic semi-displacement style aft cockpit River/Estuary Cruiser built circa 1970's. She is fitted with twin Perkins 4108 diesels (50hp approx) on Enfield drives that were fully overhauled and serviced in 2021 and fitted with new propellers. 'Avanti' also benefits from a new aft deck cockpit dark navy blue canvas canopy also fitted in 2021. 'Avanti' requires some remedial works to get her up to spec. She has a GRP hull and wooden superstructure. Her side decks do need some attention along with some interior furnishings that need replacement, plus a some ongoing maintenance. Inventory includes, gas hot water boiler, gas hob, oven and grill and portable loo. A great project sensibly priced to sell and stored ashore with us at Chertsey. Priced to Sell
